

November 21, 2013 Pike Place Market Executive Committee Meeting

Board Members Present: Sharon Mukai, Chris Scott, Betty Halfon, David Ghoddousi, Joan Paulson, and Patrick Kerr.

Others: none

David Ghoddousi chaired the meeting, and called it to order at 6:03 p.m.

The topic was setting the agenda for the January 2014 General assembly meeting, as the Constituency does not hold a General Assembly meeting in December.

Agenda for the January 2014 Pike Place Market General Assembly meeting:

- 1) Arrange for new Seattle City Council member Kshama Sawant to attend our meeting and meet the Constituency and hear some of our concerns about our increased City Light bills, and also our concerns about the vague wording in the renewal of the Urban Renewal Plan.
- 2) The FCC has a permit available for a low power FM radio station. We will discuss getting the station at the Pike Place Market.
- 3) City light rate increase at the Pike Place Market, its effect on cot/coma and the budget. How can we communicate with City Light to get the rate reduced?
- 4) Discuss the lack of parking lines on the Pike Place Street, also the lack of marked disabled parking. City Ordances that require disabled parking being ignored? What is Ben's responsibility? Joan will call SDOT.

We adjourned at 6:15 p.m.

Respectfully Submitted by,

Sharon Mukai, Secretary.
