
CANDIDATE NAME: Gordie McIntyre

Candidate Questionnaire

The following questionnaire is intended to help voters learn a little about our candidates: their interest in holding office, background, skills, experience, and any vision for the future of the Market. The Constituency values diversity of opinion.

All timely responses will be circulated directly to Constituency members and may also appear on our website and via other news media that is available to the public.

1. What is your connection to the Market? Why are you a member of the Constituency?

I was a bartender in the Market for 30 years and ,being retired, now live in the Market. I have been a Constituency member for 6 years (this time) as well as one of your PDA representatives for the last 4. I am a big believer in the Constituency's oversight of the PDA.

2. Have you attended Constituency meetings and if so, how many in the past year?

I have only missed 1 C meeting during my tenure and only one of my Council meetings.

3. In your view, what are the biggest issues facing the Market now and in the near future? Do you champion any special issue?

We need to create a good relationship with the incoming PDA director and find ways to navigate the poorly elucidated 50 year plan.

4. What can we do to increase public participation in Market advocacy, especially by those who live and work in the Market?

The following two questions are only for those running for PDA Council representative. Others need not respond.
